Embrace Your Inner

Strength and Beauty

We encourage you to choose our fresh designs and new colours found in B.U. Hair Collection. The wigs are made of high quality synthetic fiber so you can look good every time. Experience life with comfort and confidence. **BeYou!**

Models

Please note

We make every effort to ensure that hair colours look like they really are. However, due to printing techniques, colours may differ from real ones.

Heat resistant fiber

Some of the models are Heat Resistant. The fiber of this synthetic hair is made to withstand heat. You can curl or wave this hair using heat up to 130 degrees Celsius.
